ONE SAINT STEPHENS

AUCKLAND

One Saint Stephens has partnered with David Nash, founder of Atelier Nash, to provide a bespoke wine and spirit offering to rival the very best in New Zealand.

To complement your planned wine storage, David is developing an off-site managed wine cellar service exclusive to One Saint Stephens residents. More to follow on this exciting offering.

From today, you have preferential access to David and Atelier Nash's private wine tasting experiences. Hosted in your own home or at one of David's venues in Britomart, enjoy a special storytelling evening of fine wine and capture a glimpse of what is to come at One Saint Stephens, either at The Tod or within your own apartment.
